

Community Economic Development Fund Small Business Training Institute and State Senator Bob Duff present:

When you strengthen your skills, you strengthen your business!

Understanding Business Finances and Tax Related Issues to Maximize Your Small Business Profit

Learn how to keep the necessary records for your small business and how to set up functional record keeping systems. This workshop will include a discussion on understanding financial statements, making income projections, and different accounting methods that work best for your business.

Every business owner needs to know the tax issues that are associated with owning a small business in Connecticut. Learn about the different kinds of taxes affecting your business and about your filing responsibilities and deadlines. Have questions about payroll taxes, sales tax and personal property tax? Our certified CPA instructors will help you understand your reporting and compliance responsibilities.

Participants are expected to attend all four classes to receive full credit
and a certificate of successful completion.
